YOUR MISSION FOR 2018

*Get clear on your mission & your goal for the new year ahead!
What is it that you want to do.*

WHERE WILL YOU REACH YOUR AUDIENCE

*What platform will you choose to reach your audience. Stick to one
you're comfortable and do that well. Don't spread yourself thin.*

HOW CAN I ADD VALUE TO MY AUDIENCE

Think of what you can provide them, a problem you can solve or knowledge you can share and help them.

HOW WILL YOU GET THIS TO THEM

Now that you have zoned in on your service or what you're able to provide your awesome audience, how will you get this to them and show up.

HOW CAN I SKILL UP

Challenge yourself to learn something new, that will help you serve your audience better and grow. Learning is key!

FINAL THOUGHTS

Do one task at a time and complete that and do that the best you can. Don't try and be and do like everyone else does, be you and remember what skill, talent or service you can offer and get that out there! Be consistent always and don't give up.

This Is My Year!

*I will do whatever it takes to make my dream a reality.
I'm taking action today!*
